*Set the right mood for your event beginning with the right music.*

My name is Esther Lee and I am a full time harpist, which means that I do not just perform on the side as a second job but playing the harp is my primary and only profession that I am committed to so that you have the assurance of quality at your event.

Rates begin at \$400 for up to 2 hours of continuous music. A service rate is included along with a wedding information sheet to complete and return along with a 50% non-refundable deposit in order to secure your date and time.

If you would like to book my services, simply fill out the information sheet and return it to the address below or email it to [harping@gmail.com](mailto:harping@gmail.com). From there, I will send out a contract to you while discussing the music for your perfect day and you can return the signed contract and deposit to secure your day. I will be available throughout the moths for your convenience and will even take last minute requests up to 24 hours in advance of the big day. If you would like to schedule a consultation in my Santa Clara Home Studio, let me know and I will be more than happy to schedule a time that works for both parties.

I look forward to setting up the perfect mood for your special day!

Sincerely,

Esther Lee, Harpist
